THE MAY CASUAL CRUISE IN COMPANY

The APYC May cruise was to have 3 boats and six people but ended up with 6 boats and 12 people!

Since some boats did not RSVP, Steve (Cheetah) did not take the bbq or lights but Stewart and Diana of 'Kuzi' came to rescue. After hearing that Cheetah may be a bit cramped, they offered their boat as the bbq and party boat for the night. Needless to say, we all had plenty of food and a good time was had by all. Weather was perfect with a blue sky and cool nights. Sunday was a bit breezy but a comfortable sail home.

Come join us next time. Its is a good social event and there is always someone new to meet.

Our next casual cruise is on Saturday 8 September

MONTHLY CLUB NIGHTS

Helen, Betty & Jeff enjoying the evening.

Our monthly club nights have been a great success at the Ocean Club our new venue.

Thanks to our guest speakers Heather Sutton and Ken & Sue Bryce for sharing their sailing adventures.

Our lasagne night, homemade *justa like a Mamma used to make!* was amazing with a big thank you to Sue and Marg who spent all afternoon preparing this feast.

Note: Due to the Coral Coast rally being held in June, our next club night will be on Tuesday 3 July
